

Tuition and Fees

Tuition and fees are subject to change through actions of the CLC Board of Trustees or changes in the calculation of out-of-district fees in accordance with the state formula. Regular tuition and fees effective for Fall 2008 are as follows:

In-District	
Tuition (per credit hour)	\$81.00
Comprehensive Fee (per credit hour)	\$ 7.00
Technology Fee (per credit hour)	\$ 4.00
Instructional Equipment Fee (per credit hour)	\$ 3.00
Total Tuition and Fees	\$95.00

Tuition and fees for non-credit courses (courses which do not lead to a state-approved degree or certificate) cover the cost of instruction. No state or local tax monies are used to support these courses. Out-of-district and out-of-state tuition is determined on a semesterly basis. Please refer to the current class schedule for this information.

The comprehensive fee supports student activities, student services, including child care, program board activities, the student newspaper, tutoring and infrastructure improvements as well as help to defray the costs of parking lot improvements and campus safety expenditures.

Student Residency Status

Students are classified according to residency status at the time of admission to the College for purposes of tuition assessment and enrollment.

Proof of Residency

Evidence of district residency shall be based on ownership and/or occupancy of a dwelling in Community College District 532 and may be verified by displaying either an Illinois driver's license or identification card issued by the Illinois Secretary of State's Office or an Illinois voter identification card.

Residents of the College District

Students who are at least eighteen years of age and who have occupied a dwelling within Community College District #532 for at least thirty days prior to enrolling at the College of Lake County are considered "in-district." Community College District 532 is defined to include residents of the following Lake County, Illinois public high school districts: Adlai E. Stevenson, Antioch, Grant, Grayslake, Highland Park-Deerfield, Lake Forest, Lake Zurich, Libertyville, Mundelein, North Chicago, Round Lake, Vernon Hills, Warren Township, Wauconda, Waukegan, and Zion Benton.

Residents of Illinois, Out-Of-District Students

An out-of-district student is one who resides in Illinois but is not a resident of Community College District 532 as defined above. Lake County Illinois residents living within the Barrington public high school district are classified as out-of-district Illinois resident students.

Out-Of-State Residents

An out-of-state resident is one who has not lived within the United States for at least 30 days prior to the beginning of the semester, or has declared his/her permanent residence to be outside the state of Illinois.

Special Tuition Categories

The following categories have special tuition rates based upon their particular status.

Senior Citizen Tuition

All in-district residents who are sixty years of age or older at the time of registration may enroll in credit courses offered by the College at one-half the regular tuition rate, with all other fees remaining unchanged. All residents of the college district who are sixty-five years of age or older at the time of registration and who qualify financially according to Illinois Statute may enroll in credit courses offered by the College without paying tuition or activity fees. For more information, contact the Financial Aid Office at (847) 543-2062.

Business Educational Service Agreement

Students who live outside of the College of Lake County's district and are currently employed full-time (thirty-five or more hours per week) in the College's district may enroll at CLC under the Business Educational Service Agreement and pay the current in-district tuition rate, including prevailing comprehensive fee, regardless of their place of residence. For more information, contact the Office of Admissions and Records at (847) 543-2061.

In-District Military Personnel Tuition

Military personnel who are citizens of the United States and who are on extended active duty in one of the uniformed services of the United States and who are stationed and present in Community College District #532 in connection with that service, will receive the current in-district tuition rate including the prevailing activity fee by displaying a valid United States uniformed services identification card. Spouses and children of such military personnel are also eligible for the in-district tuition rate.

Cost to Attend CLC

Many full-time students want to know what it will cost to attend CLC for an entire year. To help answer that question, the College has developed two standardized budgets for the 2008-2009 school year. There may be minor variations in these numbers due to tuition increases or changes in federal guidelines. For changes in these figures, visit the Financial Aid Overview section on the CLC website.

Listed below are various fees and payment options for students.

Course Fees

Course fees are charged for some courses that incur extraordinary expenses for consumable supplies used by students or that have an unusual delivery system, e.g. private lessons.

Additional Fees

Additional student expenses may be incurred for specific classes or specialized instruction as indicated in the current semester schedule of classes.

Commencement Fees

A commencement fee, which includes cap and gown rental, is assessed to each student who participates in the commencement exercises. The College issues the diploma free of charge and it is mailed approximately one month after completion of degree or certificate requirements.

Method of Payment/Installment Plan

Students may use cash, check, or credit card (VISA, MASTERCARD, DISCOVER, and AMERICAN EXPRESS) for payment of tuition and fees and for book store purchases. Students may also pay tuition over a period of time. For details on Tuition and Fees Installment Plan, consult the CLC Schedule of Classes.

Approximate Student Budget for Students

Tuition and Fees	\$2,660.00
Books and Supplies	1,232.00
Room and Board	1,722.00
Personal Expenses	1,274.00

Room and Board	4,368.00
Personal Expenses	1,274.00
Transportation	\$1,582.00
	<u>\$11,116.00</u>

The costs listed above are based on attending two semesters (14 credit hours per semester) at in-district tuition rates. See also the out-of-district and out-of-state tuition rates to compute the tuition and fee components of your projected budget.

Use these budgets as a tool to calculate your educational expenses. Keep in mind that they are *average costs*. Your actual costs will vary according to your tuition rate, the number of credit hours you take, the books you will need to purchase and your living arrangements.

Attendance

The responsibility for attendance at all scheduled class and laboratory meetings rests with each individual student. When students are absent for reasons of illness or emergency, they are responsible for course work missed and should consult with the instructor before or at the next meeting of the class. Students who find it necessary to be absent from a class should inform the instructor in advance, if possible.

Registration

Students are responsible for officially registering in classes they attend. Registration for the fall term begins the preceding April, registration for spring term begins the preceding November. Summer registration begins in April.

Registration must be completed on or prior to the first day of class. Registration is available on-line. Students requiring assistance may contact the Office of Admissions and Records at the Grayslake campus, the Student Services Office at the Lakeshore Campus in Waukegan, or the Southlake Educational Center in Vernon Hills.

Late Registration

The College of Lake County strictly enforces its policy that students may not register for a class after it has begun. The policy states that the final day to enroll is midnight of the first day of the specific class. After that first day, late enrollment will be allowed only under extraordinary circumstances approved by the dean of the division for the class. However, NO late registration (for classes already in session) will be allowed after the financial aid census date.

Dropping or Withdrawing from a Class

Students are responsible for dropping or withdrawing from classes they do not intend to complete. Students who stop attending class and do not officially drop or withdraw will receive an institutional withdrawal grade which indicates their academic status at the point they stopped attending (see *Institution Withdrawal for Non-Attendance* section below).

The official deadlines for dropping or for withdrawing are defined individually for each class. To check the deadline

Financial Information

dates, students may consult their online schedule of classes, or printed *Confirmation of Registration* mailed prior to the term start, or call the Office of Admissions and Records.

The official **drop deadline** is the last date to drop a class with no record of the class on the academic transcript, and a with a full refund of tuition and fees. This date is specific to each class and is at a point when 15% of the class length has passed.

The official **withdrawal deadline** is the last date to withdraw from class. Students who withdraw prior to this deadline will receive a grade of **W** on the academic transcript. This withdrawal date is specific to each class, and is at a point when 68% of the class length has passed. After the withdrawal deadline has been reached, students are prevented from dropping the class, and should speak to their instructor concerning their withdrawal request.

Institutional Withdrawal for Non-Attendance

The college may administratively withdraw students who have never attended class, or who stop attending class without officially dropping, or whose attendance is so sporadic that they would not be able to complete the course requirements. Students who are withdrawn by the institution will be assigned an appropriate withdrawal grade and a date of last attendance of the mid-term date of the semester. Students who are withdrawn by the institution will remain responsible for all tuition and fees charged for the class. The withdrawal grades are defined below:

- WN Withdrawal of a student who never attended
- WS Withdrawal of a student who stopped attending, no impact on GPA
- WF Withdrawal of a student who stopped attending and failing. The WF grade will be included in the GPA.

Financial aid students who drop, withdraw, or otherwise fail to complete all of their classes for a term will be subject to Title IV return of funds calculation. See page 21 for more information on financial aid.

Reinstatement of Withdrawn Students

Students who withdraw from classes and subsequently request to be re-enrolled must present compelling reasons for reinstatement. Consult the Office of Admissions and Records for procedures.

Refund Policy

Students are responsible for officially dropping classes they do not intend to complete. See page 19 for Registration, Attendance and Withdrawal Policies. Tuition and fee refunds will be issues to eligible students who officially drop on or before the drop deadline for the class. The date of the drop is a student administration system assigned and recorded date, and is determined by the successful completion of the drop transaction.

Refund Schedule

Multiple-day Classes	
Drop on or before start of class Drop before 15% of class days pass	100% refund
Drop after 15% of class days pass	no refund
One-day Classes	
Drop the day before class	100% refund
Drop on or after the day of class	no refund

A full refund of tuition and fees is granted if the College cancels a class. When academically advisable, the administration may approve full or partial refunds of tuition or fees when students exchange one course for another.

When a student is unable to attend class due to uncontrollable and unforeseen circumstances such as extended hospitalization, a prorated tuition and fee refund may be made based upon a documented appeal. The appeal form may be obtained from the cashier's window.

Drop for Non-Payment

Students who do not pay (or make arrangements to pay) tuition and fees by their due date are subject to being dropped from all classes. The dates for the "drop for non-payment" process are publicized in the Schedule of Classes and on the website. The College will attempt to notify students who are dropped for non-payment, but it remains the student's responsibility to check enrollment status.

Students who are dropped by this process before the term starts are eligible to re-enroll if seats are available. They must pay by the new due date assigned. **Students may not attend classes if they are not officially enrolled.**

Students who are dropped by this process after the term has started may be reinstated during a defined period immediately following the drop process. The reinstatement dates are publicized at the time of the "drop for non-payment" process. In order to be reinstated in the same classes, a student must complete a "Reinstatement After Drop" form obtained from the cashier's window. The student must make immediate arrangements to pay, and then will be reinstated by the Office for Admissions and Records.

Joint Agreements

In-district students who wish to pursue programs of study (certificates and associate in applied science degrees) not available at the College of Lake County may do so by exploring joint agreements. CLC has joint agreements with neighboring community colleges for a number of programs (certificates and associate in applied science degrees). Through joint agreements, CLC students may attend another community college at the other school's in-district rates. A joint agreement is valid for one academic year and will need to be renewed upon the start of each academic year. All joint agreements are listed on pages 163-164 of this catalog.

Tuition Chargebacks

Another option for students wishing to pursue programs not available at CLC is by obtaining a chargeback. Through the chargeback process, an individual applies for approval to register at another Illinois community college thirty days before the beginning of the semester. If approved, the student pays the in-district tuition rate for the college he or she is attending and the College of Lake County pays the difference between the in-district and out-of-district rate to the other institution.

Chargebacks and joint agreements are available only for programs resulting in an associate in applied science degree or certificate and not for individual courses. Students who wish to apply for a joint agreement or a chargeback may do so by contacting the Office for Educational Affairs at (847) 543-2412.

Tuition Chargebacks for Out-of-District Residents

Partial student support is available to some Illinois residents who are not residents of the CLC district. Contact your local community college for the proper forms and information. If you do not live in a community college district, contact your local high school.

Office of Financial Aid

Grayslake Campus • Room B-114, (847) 543-2062
Federal School Code: 007694

The Financial Aid Office at the College of Lake County provides financial assistance to qualified students who, without such assistance, would be unable to attend. In order to honor this commitment, the College participates in a variety of federal, state, and institutional programs. The different types of aid offered by the College are grants, loans, campus-employment, and scholarships.

Financial Aid At-a-Glance

The information listed below was referenced from the *Funding Education Beyond High School: The Guide to Federal Student Aid 2008-2009*, which is available online at http://studentaid.ed.gov/students/publications/student_guide/index.html

Federal student aid is defined as financial assistance, is offered through the U.S. Department of Education, and is available to those students enrolled in an eligible program at a school participating in federal student aid programs. School expenses such as tuition and fees, room and board, books and supplies, and transportation are covered by federal student aid. Most federal aid is need-based. The three most common types of aid are grants, loans and federal work-study.

College of Lake County currently participates in the following Federal programs:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study Program (FWS)
- Federal Family Education Loan Program (Stafford and PLUS)
- The Academic Competitiveness Grant (ACG)
- Veterans Educational Benefits

Who gets Federal Student Aid?

Eligibility for most federal student aid programs is based on financial need, along with several other factors. The information a student provides on their Free Application for Federal Student Aid (FAFSA) determines his/her eligibility. *Basic eligibility requirements indicate that students must:*

- Demonstrate financial need.
- Be a U.S. citizen or eligible noncitizen (for most programs) with a valid Social Security number (SSN).
- Register with the Selective Service if you are a male between the age of 18 and 25 (if you have not already), or obtain a status information letter from the Selective Services System. For more details visit www.sss.gov.
- Work toward a degree or certificate in an eligible program
- Maintain satisfactory academic progress once in school.
- Show, by one of the following means, proper qualification to obtain a postsecondary education:
 - A high school diploma or a General Education Development (GED) Certificate.
 - Pass an approved ability-to-benefit (ATB) test. (If you do not have a diploma or GED, a school can administer a test to determine whether you can benefit from the education offered at that school).
 - Meet other standards your state establishes that we have approved.
 - Complete a high school education, approved under state law, in a home school setting.

Application Procedures

To apply for a *Free Application for Federal Student Aid* (FAFSA), first request a personal identification number (PIN)

Financial Information

by going online at www.pin.ed.gov. If you are a dependent student, make sure to also request a PIN number for one of your parents. This PIN will let you apply, “sign” your online *Free Application for Federal Student Aid* (FAFSA), make corrections to your application information, and more—all online.

After you have your pin number, collect all the documents needed to apply. This includes income tax returns, W-2 forms, and other records of income. The full list is located at www.fafsa.ed.gov.

Complete the FAFSA between January 1, 2008 and June 30, 2009. There will be NO exceptions to either date! Apply as soon as possible, after January 1st, to meet school and state aid deadlines. The fastest and easiest way to apply is through www.fafsa.ed.gov

The Department of Education will send you your Student Aid Report (SAR), which is the result of your FAFSA. Your complete, correct SAR will contain your Expected Family Contribution (EFC). This number is used to determine your federal student aid eligibility.

Student Aid from the State of Illinois

The Illinois Student Assistance Commission (ISAC) provides financial aid, for college education, through the many gift assistance programs it administers. As an approved participant in any of the gift assistance programs administered by ISAC, postsecondary institutions may receive funds on behalf of eligible students.

Some specialized Illinois programs have separate applications. Detailed information about Illinois programs is available at www.collegezone.com. Illinois offers various financial aid programs based on merit, need, and/or course of study. Many Illinois programs also require students to complete the FAFSA form.

College of Lake County currently participates in the following State programs:

- Monetary Award Program (MAP)
- Silas Purnell Illinois Incentive for Access (IIA)
- Grant Programs for Dependents of Police/Fire/Correctional Officers
- Illinois Veterans Grant (IVG)
- Illinois National Guard (ING) Grant
- MIA/POW Scholarship

Procedures and Guidelines

Census Date and Financial Aid Awards

Students who are eligible for financial aid and enroll at CLC receive an award notification letter which lists each type of financial aid they may receive. The award amount shown in the award notification is based on student enrollment (credit hour load) at the time the award is processed. If the award is processed for the fall term, the award notification will also include a projected amount if the student attends CLC full-time in the spring. The actual amount of aid a student receives will be based on enrollment as of the financial aid census date. Please refer to the class schedule or the “Important Dates” web page for the 2008-2009 Aid Year census dates. On census date, the financial aid office will ‘freeze’ student enrollment and adjust awards to the correct amount, based on actual hours enrolled as of that time. If a student enrolls in late-starting classes after the financial aid census date, those classes will not be eligible for financial aid. If the award of aid includes a class that has not yet started, the student will not be able to drop that class without contacting a financial aid advisor. The aid will be adjusted after the student is permitted to drop and he/she will be required to return a portion of the aid received.

Late applicants (awarded after the census date) will be processed during the remainder of the term, on a first-come, first-serve basis. The amount of the award will be based on enrollment at the time the award is processed. Late awards will be disbursed immediately.

Bookstore Vouchers

Students with anticipated credit balances on their student account, based on anticipated financial aid, will be allowed to charge books in the CLC Bookstore. Contact the Financial Aid Office, or check the Financial Aid website at www.clcillinois.edu/depts/fao.asp to determine eligibility to charge books and locate the dates when book charges are accepted.

Disbursements

The Financial Aid Office will credit funds to student accounts according to a disbursement schedule set up each semester. Contact the Financial Aid Office or check the Financial Aid website at www.clcillinois.edu/depts/fao.asp for the dates on which we will release aid to student accounts.

Federal Financial Aid Refund Policy (Title IV)

The Higher Education Amendments of 1998, Public Law 105-244, established how Title IV eligibility is determined when a student completely withdraws from school. The Department of Education required this provision be implemented by all schools starting in October 2000.

The new requirements do not dictate an institution's refund policy as it relates to institutional charges incurred by the

student. Instead, the institution is required only to determine the amount of Title IV funds a student has earned as of the date he or she ceases to be enrolled. The amount of Title IV funds earned by the student is based on the amount of time the student was enrolled; *it has no relationship to the student's incurred institutional charges.*

The percentage of Title IV funds earned by a student who fully withdraws is calculated by simply dividing the number of calendar days the student was enrolled by the number of calendar days in the semester. For example: if a semester contained 112 calendar days and a student withdrew on the 28th calendar day, he/she would be entitled to 25% of his/her Title IV funds (28 days attended/112 days in semester = 25%).

Schools are required to calculate the Return of Title IV Funds up through the 60% point of each semester. After the 60% point it is considered that the student has earned 100% of the Title IV funds disbursed. For more information on the College's Withdrawal policies, please refer to the Student Records Policies web page.

Please feel free to contact the Office of Financial Aid at (847) 543-2062 if you have any questions concerning this provision.

Ineligible Programs and Courses

In order to be eligible to receive financial aid, a student must be enrolled in and actively pursuing a degree or certificate in an eligible program of study. The College of Lake County offers a wide range of associates degrees and certificates in eligible programs. The Associate in Arts, Associate in Science, Associate in Engineering Science, Associate in Fine Arts, Associate in Arts in Teaching, and Associate in Applied Science degree programs are eligible. Most career certificate programs that require at least 16 credit hours to complete are eligible as well. (See the specific program of study for more information on eligibility.)

The College offers courses that meet a wide range of community need. Some courses are not eligible to be included in a financial aid award. Eligible courses are those that may be applied to completion of a degree or certificate, and/or developmental courses that are at a post high school level and prepare a student to take college level classes. Courses that do not meet these criteria, as well as audited courses, non-credit courses or courses with the prefix of ABE, ADE, ASE, EMT, ESL, GED, MAS, and VST are not eligible for financial aid.

Refund Checks

The Business Office will issue refund checks to students based on credit balances approximately ten days after their financial aid is credited to their student account. The Business Office will deduct tuition and fees, bookstore charges, and any other charges the student owes the College from the student's account before refunding the remaining balance. Please contact the Financial Aid Office or check the Financial Aid website at www.clcillinois.edu/depts/fao.asp for the dates on which the Business Office mails refund checks.

Academic Standards for Financial Aid Recipients (SAP)

Federal and state regulations require that students make satisfactory and measurable academic progress in their academic work in order to continue to be eligible for federal and state financial aid. At CLC the effective date that begins to measure satisfactory academic progress is the last date to drop a class with no record of the class on the academic transcript, and a with a full refund of tuition and fees. This date is specific to each class and is at a point when 15% of the class length has passed. Satisfactory academic progress is measured in three distinct ways:

- 1) **Course Completion Rate** - Students must successfully complete at least 67% of all course credit hours attempted at CLC. A successful completion is defined as earning a grade of 'D' or better. Withdrawals (official or unofficial), incompletes, repeated classes, and remedial courses are included in hours attempted. Beginning in the Fall 2007 semester, there is no probationary status for students who complete between 25-67% of the hours attempted.
- 2) **Cumulative Grade Point Average (GPA)** - Students must have a 2.00 cumulative GPA to graduate from the College, and therefore, must meet the following interim cumulative GPAs:

Hours Attempted	Cumulative GPA 0.00-1.49	Cumulative GPA 1.50-1.99	Cumulative GPA 2.00-4.00
0-14 (Freshman)	Restriction	Probation	Satisfactory
15 and above (Sophomore)	Restriction	Restriction	Satisfactory

The above chart displays a student's Satisfactory Academic Progress status (satisfactory, probation or restriction) as a function of the number of hours attempted and the resulting cumulative GPA.

- 3) **Program Time Frame to Complete Degree** - Students may pursue completion of a degree program on a full or part-time basis, but the federal government requires that students make progress toward degree completion in a timely fashion. Progress toward completing a degree is measured not by time, but by a total number of attempted hours allowed to complete a degree. For example, a student pursuing a 60 credit hour associates degree will continue to be eligible for financial aid until he/she has attempted 150% of the required number of hours for the degree, or 90 attempted credit hours. Degrees or certificates of varying lengths are prorated accordingly. Once the student's time frame to complete the degree has been met, the student is placed on restricted status and is no longer eligible for financial aid at the college.

Included in the count of attempted hours is all attempted coursework taken at CLC, transfer credit accepted from other institutions, and any Advanced Placement or CLEP

Financial Information

credit. All withdrawal grades, failing grades, and incompletes, as well as repeated courses and non-credit remedial course work, are considered hours attempted and are included in the maximum time frame. If a student receives a grade of F or WF in a course and must repeat that course, financial aid will only pay for a second attempt. Additionally, students can only receive financial aid for up to 30 attempted hours of remedial coursework.

Satisfactory Academic Progress

Satisfactory academic progress is measured by two standards: the Course Completion Standard and the Grade Point Average Standard. Students must meet these standards to be in good standing. The effective date that begins to measure satisfactory academic progress is the last date to drop a class with no record of the class on the academic transcript, and with a full refund of tuition and fees. This date is specific to each class and is at a point when 15% of the class length has passed. Excluded from these standards are courses in Adult Basic Education (ABE), Adult Developmental Education (ADE), English as a Second Language (ESL), General Education Development (GED), Vocational Skills Technology, Contract Training, Continuing Education, and General Studies.

Satisfactory, Probation, and Restriction Status

A student will be considered in **satisfactory** status as long as he/she meets the requirements described above.

A student will be placed on **probation** status for failing to meet GPA requirements as described above, but **will be** allowed to receive financial aid.

A student will be placed on **restricted** status for failing to meet requirements 1, 2 or 3 as described above and **will not** be eligible to receive financial aid.

Appeal Process

Any student placed on restricted status has the right to appeal. All appeals must be complete and provide detailed information about extenuating circumstances. **Extenuating circumstances include:** personal illness/accident, serious illness or death within the immediate family, auto accident or other situation beyond the *reasonable control* of the student. Third-party documentation is required with each appeal. Documentation may include, but is not limited to, copies of medical records, accident reports, and/or letters from an academic advisor, work supervisor, or other counselor. The appeal form is available in the Financial Aid Office and the website at www.clcillinois.edu/credit/aid/forms.asp. The deadline to submit an appeal can be found in the Satisfactory Academic Appeal form available at the Financial Aid Office and the website at www.clcillinois.edu/credit/aid/forms.asp.

Appeals must be submitted in the term for which the student is seeking financial aid. Appeal forms will **not be** accepted unless all documentation is included with the form. All appeal decisions are final.

Verification

The process of documenting the information a student provides on his/her FAFSA is called **verification**. If a student's application is selected for verification, and he/she does not provide the documents requested by the school, the student will not receive federal student aid. The student also might not receive aid from other nonfederal sources. Students must submit all requested documentation within 30 days from the date postmarked on the notification letter sent from the Office of Financial Aid.

If any discrepancies are found between the information you submitted on your FAFSA and the data on your Verification Worksheet, or the documentation you submitted to us, the Financial Aid Office will make corrections to your FAFSA and adjust your financial aid awards.

The verification worksheet is also available in the Financial Aid Office and the website at www.clcillinois.edu/credit/aid/forms.asp.
