UIS	BUS 100**	Elective
UIUC	Not transferable	
UWP	not listed on equivalency table	

These universities generally accept these courses as listed above--this is the official course equivalency position of the universities' registrars' offices. However, sometimes a student can work with his/her academic advisor at the transfer school to get a course substitution so that the course will be accepted for transfer credit in a course required by the major, but that is never guaranteed
