

Concordia University
Transfer Planning Guide – LIBERAL STUDIES (General Education)
 Use in tandem with Concordia general transfer guide

Below is a list of recommended courses for the student's first two years. You will notice the courses are divided into core areas (i.e. Humanities) and acceptable courses are listed. However, a specific major may require additional lower division courses as part of the student's major. Final decision regarding the acceptance of credit rests with Concordia University.

If a student completes the 37-41 semester hour package of the General Education Core of the Illinois Articulation Initiative, Concordia will not consider all Lower Level General Education Requirements completed. See a counselor or the CLC catalog for more information about the Illinois Articulation Initiative.

Graduation Requirements - special notes:

Non-Western/Third World Course Requirement:

One of the courses you choose within Humanities and Social Sciences should have an international or non-western emphasis. These courses are marked with an asterisk*.
