

## NORTHEASTERN ILLINOIS UNIVERSITY Transfer Planning Guide – BUSINESS MAJOR

Use in tandem with NEIU general transfer guide

The following are required for ADMISSION to the Business Major:

ENG 121 and 122 ("C" or better);

ECO 221 & 222;

ACC 121 & 122;

MTH 127 & 224;

**NOTE:** The above noted foundation courses must be completed with a minimum cumulative GPA of 2.5.

Accounting Majors ONLY: take BUS 222

To transfer as a Business or Accounting major, a student must meet the general ed. requirements of the university to which s/he is applying as well as the specific course requirements of the Business School in that university.

\*In the past, CLC's BUS 121 and 221 have substituted for NEIU's BLAW 285 for all business majors (except Accounting). The Business Division at NEIU is currently reviewing all NEIU Business Law courses, so BUS 121 and 221 have been removed from this transfer guide. Please consult with an NEIU representative for the possible transferability of these courses.

*The College of Lake County Counseling Center produces this guide as an accommodation for students. Every effort is made to maintain accurate information; however, this information is subject to frequent change. Students should contact the four-year school to keep informed of changes, as final responsibility for verifying information rests with the student.*
