PSY 121 or SOC 121 is not required for the core, but is a business graduation requirement.

CIT 120 is not required for the core; however, it meets a pre-requisite for a required course at WIU (CS 302). WIU also has a proficiency exam to meet the CS 302 pre-requisite.

*These majors are also available at the upper-division, non-residential, WIU-Quad Cities campus in Moline, IL. Students must have earned 60 hours with a 2.5 GPA for admission.

Students are accepted by the admission office as Pre-Business majors. Pre-Business majors may enroll in upper division business courses where the prerequisite has been met when at least 60 semester hours have been completed with a cumulative 2.5 GPA.

Pre-Business students may transfer to WIU-Macomb with 24 semester hours and a 2.0 GPA or with fewer than 24 semester hours as long as students meet the freshmen admission standards (20 ACT and 2.5 HS GPA), have at least a combined 2.0 GPA for all hours attempted at all schools attended and are in good standing at last school attended. Students remain in Pre-Business until the business requirements have been met with a 2.5 GPA at Western.

WIU is a participant in the IAI Business major found at:
