### ART 299  Special Topics in Art (Variable) 1-3 Hours

*May be taken four times for credit toward degree*

### Portfolio Development

Portfolio Development coaches students in how to build and shape a long-term photography project suitable for transferring, employment, or personal enrichment. The student-generated, semester-long project is interspersed with mini-projects including, but not limited to, website/blog, artists statement, and leave behinds. From models, students learn, create and structure their own projects based on personal concerns and values.  
**Prerequisite:** Art129 or Art149

**Grayslake Campus - Grayslake**

- **ART 299-299** 3 0600P-0950 R GLC 1/21 5/5

---

### AUTOMATION, ROBOTICS, AND MECHATRONICS

**Engineering, Math & Physical Sciences Division, Room T102, (847) 543-2044**

Spring 2016 ARM classes are open to students who are interested in the Mechatronics certificate full time program only. If you are interested please contact Margie Porter at (847) 543-2904 or margieporter@clcillinois.edu or LaMar Black at (847) 543-2591 or lblack1@clcillinois.edu.

### ARM 111  Fundamentals of High Tech Manufacturing I (1-0) 1 Hour

**Prerequisite:** COMPASS ELI score of 200 or higher, APT score of 80 or higher, ELI 103 (C or better), ELI 104 (C or better), ELI 107 (C or better), or College Reading and Writing Readiness AND Basic Algebra Readiness.  
**Additional Cost/Course Fee:** $10.00  
*Online (for more information, go to clconline.clcillinois.edu)*

- **ARM 111-001** 1 0700P-0950 R GLC 1/19 2/16

### ARM 112  Fundamentals of High Tech Manufacturing II (1-0) 1 Hour

**Corequisite:** ARM 111 or consent of department  
*Online (for more information, go to clconline.clcillinois.edu)*

- **ARM 112-001** 1 0700P-0950 R GLC 2/23 3/29

### ARM 113  Fundamentals of High Tech Manufacturing III (1-0) 1 Hour

**Corequisite:** ARM 112 or consent of department  
*Online (for more information, go to clconline.clcillinois.edu)*

- **ARM 113-001** 1 1100A-0335 R GLC 4/5 5/3

### ARM 116  Mechatronics Graphics I (1-0) 1 Hour

**Prerequisite:** COMPASS ELI score of 200 or higher, APT score of 80 or higher, ELI 103 (C or better), ELI 104 (C or better), ELI 107 (C or better), or College Reading and Writing Readiness AND Basic Algebra Readiness.  
**Additional Cost/Course Fee:** $10.00  
**Grayslake Campus - Grayslake**

- **ARM 116-009** 1 1100A-0335 R GLC 1/21 2/18

Final Exam Week is May 9-May 13, 2016. Your schedule may vary during final exam week. Your specific final exam schedule will be available in your Student Center upon registration. Please note that the official end date of the Spring 2016 semester is May 13, 2016.
### AUTOMOTIVE TECHNOLOGY

**Engineering, Math & Physical Sciences Division, Room T102, (847) 543-2044**

### AUT 110 Introduction to Automotive Technology (3-2)  
**4 Hours**

**Additional Cost/Course Fee: $20.00**

**Grayslake Campus - Grayslake**
- 6111 AUT 110-001 4 0900A-1120 MW GLC 1/20 5/4
- 6112 AUT 110-002 4 0430P-0650 TR GLC 1/19 5/5
- 6118 AUT 110-003 4 0100P-0320 TR GLC 1/19 5/5

**Supported Section**
This section is taught in English with support services for students who have not met College Reading and Writing Readiness. Department Consent is required. Please contact Leticia Swift at (847) 543-2672 for more information.

**Grayslake Campus - Grayslake**
- 6116 AUT 110-380 4 0700P-0920 MW GLC 1/20 5/4
  - 0600P-0650 MW GLC 1/20 5/4

### AUT 111 Engine Rebuilding (4-2)  
**5 Hours**

**Corequisite: AUT 110 (formerly AUT 174)**

**Additional Cost/Course Fee: $35.00**

**Grayslake Campus - Grayslake**
- 6100 AUT 111-001 5 0900A-1150 TR GLC 1/19 5/5
- 6101 AUT 111-002 5 0700P-0950 MW GLC 1/20 5/4

**Supported Section**
This section is taught in English with support services for students who have not met College Reading and Writing Readiness. Department Consent is required. Please contact Leticia Swift at (847) 543-2672 for more information.

**Grayslake Campus - Grayslake**

**BIOLOGY**

Biological & Health Sciences Division, Room C140, (847) 543-2042

**IMPORTANT INFORMATION Regarding Placement Test for BIO 123 and BIO 161**

Students who want to enroll in BIO 123 or BIO 161 and do not have the prerequisite algebra course (MTH 102 or MTH 108) MUST take the CLC College Math Placement Test. The test is given in the Testing Center at the Grayslake Campus, (847) 543-2076, the Lakeshore Campus, (847) 543-2120, and by appointment at the Southlake Campus, (847) 543-6501. Please call the appropriate location for testing times. The use of a calculator is permitted, and one will be provided. Photo ID is required.

**Which beginning biology lab course is right for you?**

**BIO 120** - intended as a general education lab science requirement for non-science majors and for those who are interested in the relationships between humans and the environment and environmental problems.

**BIO 123** - intended as a general education lab science requirement for non-science majors needing a one-semester lab science course and for students seeking careers in nursing, dental hygiene, medical imaging, etc. Prior chemistry is helpful. Basic Algebra is a prerequisite.

**BIO 141** - intended as a general education lab science requirement for non-science majors needing a one-semester lab science course and is not intended for students wishing to enter an allied health or pre-professional field.

**BIO 161** - This course is the first semester of a two semester sequence intended for biology majors and students seeking careers in pre-medicine, pre-pharmacy, pre-veterinarian, etc. NOTE: Knowledge of chemistry is helpful. Intermediate Algebra is a prerequisite.

◆ This section meets at both the Lakeshore Campus (Tuesdays) and
Grayslake Campus (Thursdays).

Final Exam Week is May 9-May 13, 2016. Your schedule may vary during final exam week. Your specific final exam schedule will be available in your Student Center upon registration. Please note that the official end date of the Spring 2016 semester is May 13, 2016.
### BUSINESS ADMINISTRATION

**Business and Social Sciences Division, Room A244,**

(847) 543-2041  
Not all courses are offered every semester.  
For more information: www.clcillinois.edu/programs/bus

---

#### BIO 245  Anatomy and Physiology II  
(3-2)  
4 Hours  
**Prerequisite:** BIO 124 or BIO 244 (C or better)  
**Additional Cost/Course Fee:** $25.00

**CHEMISTRY**

Biological & Health Sciences Division, Room C140, (847) 543-2042

**IMPORTANT INFORMATION Regarding Placement Test for Chemistry**

Students who want to enroll in CHM 120 or CHM 121 and do not have the prerequisite algebra course MUST take the CLC College Math Placement test. The test is given in the Testing Center at the Grayslake campus, (847) 543-2076, the Lakeshore Campus, (847) 543-2120 and at the Southlake Campus, (847) 543-6544. Please call the appropriate location for testing times. The use of a calculator is permitted, and one will be provided. **Photo ID is required.**

Final Exam Week is May 9-May 13, 2016. Your schedule may vary during final exam week. Your specific final exam schedule will be available in your Student Center upon registration. Please note that the official end date of the Spring 2016 semester is May 13, 2016.
Which beginning chemistry course is right for you?

**CHM 120** - intended for general education lab science requirement for non-science majors and for the dental hygiene, medical imaging, and registered nursing programs. Basic algebra is a prerequisite.

**CHM 121** - intended for chemistry, biology and other science majors. Intermediate algebra is a prerequisite.

**CHM 142** - intended for general education lab science requirement for non-science majors and is not intended for students wishing to enter an allied health or pre-professional field. Language proficiency and basic algebra readiness is a prerequisite.

**CHM 140** – same as CHM 142, but without a lab.

---

**CHM 120 Chemical Concepts (3-2) 4 Hours**

*Prerequisites:* MTH 102 (C or better) or an appropriate score on the Math Placement Test or Math ACT of 22 or higher - AND - College Reading and Writing Readiness

*Additional Cost/Course Fee:* $25.00

*Prerequisite:* CAD 170 (previously CAD 173)
*Additional Cost/Course Fee:* $50.00
Grayslake Campus - Grayslake
6134  CAD 270-001  3  0600P-0950  T  GLC  1/26  5/3

**CAD 273** Advanced CAD Specialization (Variable) 1-3 Hours
*Additional Cost/Course Fee:* $50.00
Grayslake Campus - Grayslake
6135  CAD 273-600  3  0600P-0950  R  GLC  1/28  5/5
⇒ Project based course. Students will work on development process of a product from the initial concept to final production modules. Students will work in large and small groups and will meet with the instructor particular dates during the semester.

**CIT 111** Comprehensive Spreadsheets (3-0) 3 Hours
*Prerequisite:* College Reading and Writing Readiness AND Basic Algebra Readiness
*Additional Cost/Course Fee:* $40.00
Grayslake Campus - Grayslake
5260  CIT 111-001  3  0700P-0945  W  GLC  1/20  5/4
⇒ CIT 111-600 is a Blended section that combines work in the classroom as well as on the Internet.

**Computer Information Technology**

**Business and Social Sciences Division, Room A244, (847) 543-2041**
Not all courses are offered every semester.
For more information: [www.clcillinois.edu/programs/cit](http://www.clcillinois.edu/programs/cit)

**IMPORTANT INFORMATION Regarding Computer Information Technology Placement Testing and Waiving CIT Prerequisites**

Students wishing to take a CIT course which has a prerequisite of CIT 120 and who do not have the prerequisite course may take the Introduction to Computers Placement Test.

Students wishing to take a CIT course which has a prerequisite of CIT 134 and who do not have the prerequisite course may take the Programming Placement Test.

These tests are given on a walk-in basis in the Testing Centers at the Grayslake and Lakeshore campuses and by appointment at the Southlake Campus. There is no charge for the tests. Please see the Academic Proficiency Test information in this schedule for the Testing Centers’ hours.

Students who have taken a course equivalent to CIT 120 or CIT 134 at another school may have the prerequisite waived by submitting the request found at: [www.clcillinois.edu/prereq](http://www.clcillinois.edu/prereq)

**Office 2013**
All coursework will be completed in Microsoft Office 2013.

**Final Exam Week is May 9-May 13, 2016. Your schedule may vary during final exam week. Your specific final exam schedule will be available in your Student Center upon registration. Please note that the official end date of the Spring 2016 semester is May 13, 2016.**

CIT 259  Topics in Computer Forensics (Variable)  1-3 Hours
Prerequisite: To be determined relative to topic
May be taken four times for credit toward degree
Additional Cost/Course Fee: $40.00

Mobile Phone Forensics (2 credits)
This course provides students with the knowledge and skills to master advanced computer forensics topics. Areas addressed in the course include cellular and Wi-Fi technology and concepts, mobile devices, forms of connectivity and forensic principles. Special emphasis will be given to the physical acquisition and forensic analysis of SIM cards, cellular and mobile devices in addition to an understanding of terms, functionality and new technologies such as Smart Phones and GPS devices.
Prerequisite: CIT256
Additional Fee: $40.00
Online (for more information, go to clconline.clcillinois.edu)

EDU 299  Special Topics in Education (Variable)  1-3 Hours  
Prerequisite: College Reading and Writing Readiness  
Technology and the Common Core  
This course will take an in-depth look at the K-12 Common Core standards, with a particular focus on the embedded technology standards. Students will explore different apps, websites and software to develop the knowledge and skills they will need to determine the best use of current technologies in relation to the Common Core technology standards. What the common core standards are and how to decipher them, who your students are today, parent education, staff development, roadblocks and ways to obtain equipment and software/apps for your classroom are all topics that will be addressed, with special emphasis on looking at best practices and lesson designs to successfully integrate technology into teaching the Common Core K-12 curriculum.

**Important Information Regarding EMT Courses**

All EMT classes are held at area hospitals or fire and rescue departments. Registration for classes is processed directly through the individual site that is hosting the class (except for Vista EMT-Basic). Space is limited and classes fill up quickly. For more information regarding requirements for the classes and how to register, please contact one of the EMT coordinators listed below:

- **Vista Medical Center West**
  - EMT-Basic / Evert Gerritsen (847) 360-2038
  - EMT-Paramedic / Dave Chase (847) 360-2205

**Advocate Condell Medical Center**

EMT-Paramedic / Sharon Hopkins (847) 990-5309

No Basic

**NorthShore University HealthSystem**

Highland Park Hospital

EMT-Basic & Paramedic / Martha Pettineo (847) 480-3787

Program Chair: Carol T. Wismer / (847) 543-2142
cwismer@clcillinois.edu

**Notes:**

- All EMT classes will require occasional Saturday meetings. Dates will be announced in class.
- The start and end dates of the EMT courses are tentative. Please check with the division office at (847) 543-2042 or the site offering the class two weeks prior to the published start date to verify the exact dates for the class.
- Payment for tuition is made directly to the hospital.
- EMT-Basic and EMT-Paramedic courses are not eligible for Title IV aid. Only students eligible for benefits under the Illinois Veterans Grant, Illinois National Guard, or MIA/POW may receive financial aid for these programs. Call the Financial Aid Office for more information, (847) 543-2621.
- High school diploma (or equivalent) required for enrollment and licensure.
- Books for EMT Basic classes at Vista Medical Center available through CLC Bookstore. All other sites have the books available at hospital.

**Communication**

Communication Arts, Humanities & Fine Arts Division, Room B210, (847) 543-2040

Want to teach ESL?

CLC offers ESL Endorsement courses

Certified K-12 teachers or prospective teachers interested in teaching ESL can take the six courses for ISBE’s ESL Endorsement at CLC.

Four of the required courses will be offered in the Spring session: Linguistics and Society (ENG 128); Methods of Teaching ELL/Bilingual (ENG 261); ENG 268, Assessment of the ELL, and Intercultural Communication (CMM 127). In addition, one of the electives, Teaching Grammar to ELLs (ENG 265), will also be offered in the Summer semester.

Enrolled candidates with Bachelor’s degrees may be able to earn graduate credit through Aurora University by paying additional fees and completing additional requirements.

For more information, contact Dr. Jacinta Thomas at (847) 543-2565 or by email at com436@clcillinois.edu or visit the following website www.clcillinois.edu/programs/eng/ and click on ESL approval or endorsement.

**ENG 100**  Success in Writing and Reading (1-0)  1 Hour

Learning Community with ENG 121
ENG 109-451 and ENG 121-451 are a 16 week Learning Community.
To enroll in ENG 109-451, you also must enroll in ENG 121-451. These eight-week courses run consecutively (ENG 109 for the first eight weeks of the semester and ENG 121 for the second eight weeks of the semester); the 121 class will build on the work done in ENG 109. Both courses are taught by the same instructor with a common text. The workload and expectations are the same in these eight-week courses as they are for sixteen week course, so the pace is intense, but you will receive a lot of help to succeed. For registration information, please contact Lamont Barrientos at (847) 543-2530 or lbarrientos@clcillinois.edu.

Mindfulness

Mindfulness entails giving attention to the moment, nurturing greater awareness, acceptance and clarity. In this class we will engage in a variety of meditation techniques as well as discuss the nature and value of mindfulness. While primarily a class in composition, the readings, research, and writing for this section will focus on the topic of mindfulness.

Star Wars
This themed course will examine the cultural, philosophical and artistic impact of the Star Wars franchise. We will focus primarily on the films, but will also explore novel, comic and cartoon adaptations and retellings of the stories and characters.

Grayslake Campus - Grayslake

5763 ENG 122-023 3 1230P-0145 TR GLC 1/19 5/5

Harry Potter
J.K. Rowling is not only a masterful storyteller and creator of one of the most engaging parallel worlds ever to hit fantasy fiction, she also has managed to weave multiple layers and strands of philosophic, historical, and theological thought into what began as a childrens book series. This themed composition course is designed for those students who have already read all seven Potter books and are ready to deepen the adventure by analyzing, discussing, researching, and writing about issues such as education, human rights, war, terrorism, free will, and love as they relate to the Potter series. So, allow yourself to be sorted into this house for Composition II, for, as Rowling tells us through Dumbledore, “It is our choices that show what we truly are.”

Grayslake Campus - Grayslake

5652 ENG 122-022 3 0100P-0220 MW GLC 1/20 5/4

The Pop Star
This themed course will explore the historical and cultural contexts of popular music. We will examine themes in the music and personas of stars ranging from Madonna to Lady Gaga, Elvis Presley to Eminem, Prince to Kanye West, and more. Through critical reading, writing, and research, students will explore the roots and variety of social factors that give rise to this brand of popular culture.

Grayslake Campus - Grayslake

5660 ENG 122-025 3 0100P-0345 W GLC 1/20 5/4

Detective Fiction
This section will develop your skills in researched writing through an exploration of styles, themes, and conventions of classic detective stories, essays, thrillers, novels and films. We will cover how gender, race, politics and class play out in this genre.

Grayslake Campus - Grayslake

5671 ENG 122-028 3 0200P-0315 TR GLC 1/19 5/5

Gender and Sexuality
This section will explore how definitions of gender and sexuality affect our lives, choices and identities in powerful ways. We will read a variety of women’s and men’s viewpoints and will analyze, research and write essays on topics such as advertising, pornography, sports and work.

Grayslake Campus - Grayslake

Fiction
This course features a workshop format to provide students an opportunity for in-depth study in the writing of prose fiction. The workshop format offers critiques from an attentive and interested audience to aid the student during the revision process. The goals of the course are for students to produce polished, potentially publishable work; to further the student’s knowledge in the craft of fiction writing; and to develop an ability to critique one’s own work and the work of others. Class sessions will focus on student manuscripts and the reading and critique of professional writers. Students interested in this course who have experience in writing prose fiction but do not meet the prerequisite may contact the instructor in advance of the class starting date to request a waiver of the prerequisite.

**Prerequisite:** College Reading and Writing Readiness  

The Holocaust  
This course will examine the historical roots of anti-Semitism and racism in Europe and its ultimate expression during the Second World War, where 12 million people, of which half were Jews, were systematically and brutally dehumanized and killed by the Nazi Regime in Germany. It will examine the roots of racist rhetoric and its development towards exterminationist policies put into action between 1933 and 1945 in Europe. The course will utilize visual, literary, artistic and other forms of sources to examine the history of the dark period in human history and to explore the ways in which the Holocaust is portrayed and studied.

48
This course refines the student’s knowledge of beverages served in hospitality operations. Emphasis is placed on beverage sensory perception and the art of food and beverage pairings. Students will learn about the wine regions of the world and how climate, terroir and region affect the qualities of wine. Students develop and analyze strategies to effectively manage, market and set standards for beverage operations. Both alcoholic and non-alcoholic beverages are examined, and optional tastings of wine and beer are included. Responsible beverage service is stressed.

Prerequisites: HCM 212 and HCM 213 (both C or better)
HCM 214 Hospitality Supervision (3-0)  3 Hours
Prerequisite: College Reading and Writing Readiness
Grayslake Campus - Grayslake

DSM 5 Advanced Update on Diagnosis & Treatment
With the publication of the DSM 5, the approach to mental health diagnosis has changed for the first time in almost 20 years. Individuals may have been trained in the basics of the DSM 5, but this course will build upon the elemental overview and delve deeper into the latest edition of the APA’s diagnostic manual. The student will gain an advanced understanding of the changes in Substance Use Disorders diagnosis and the emphasis on measurement of severity. In addition, the most frequently co-occurring disorders will be examined—thought disorders, mood disorders, depressive disorders, anxiety disorders, trauma and stressor-related disorders, and personality disorders.

Grayslake Campus - Grayslake
6699  HUS 299-001  1  0900A-0400  S  GLC  2/6  2/13

Integrating 12Step Work with Addiction and Treatment
12-Step Programs have played a crucial role in many people’s recovery efforts and managing their addictions. This course will enhance the knowledge and skills of addiction counselors, therapists, social workers, clinicians, criminal justice, and other professionals in the helping fields for treating a wide variety of addictions. Students will learn new techniques, and increase their knowledge of tools and resources needed to integrate self-help groups into their professional counseling programs.

**Supreme Court Cases**  
Students will begin to “think like a lawyer” by applying the critical thinking process to such cases to identify, among other things, the issues before the Court, the Court’s holdings and its reasoning, and to anticipate potential concurrences and dissents, as well as future hypothetical cases that may be exempt from the Court’s ruling because of distinguishing facts. This is an ideal class for students interested in a career as a paralegal or in law/law enforcement.

57
**MATHEMATICS**

**Engineering, Math & Physical Sciences Division, Room T102, (847) 543-2044**

**IMPORTANT INFORMATION Regarding Math Placement Test**

You must take the Math Placement Test if you do not meet the Basic Algebra Readiness requirement either by completing one of the listed prerequisite mathematics courses at CLC or at another institution or by obtaining the appropriate score on the CLC Math Placement Test.

1. Completion of the listed prerequisite mathematics course requirement at CLC with a grade of C or better. MTH 108 and MTH 144 require a B or better in the prerequisite courses.
2. Completion of a pre-approved mathematics college-level course with a grade of C or better that is equivalent to CLC's prerequisite mathematics course.
3. Specific mathematics ACT scores.

The College of Lake County Math department uses the College Board Educational Testing Service's ACCUPLACER CPT adaptive placement exam as its placement instrument. Students may take the test at the college's Testing Center or at other sites in the county. Students can test twice in a 12-month period. **Students must wait for a period of two days (48 hours) before retesting.**

Students who are not basic algebra ready may take the test once they have completed a CLC pre-approved course or obtained the equivalent score on the Math Placement Test.

Many CLC mathematics courses also require documentation of completion (grade of C or better) of one year of an approved high school geometry or completion of MTH 104 (grade of C or better).

Students wishing to take the Math Placement Test are encouraged to review and study before taking the test. Printed test guides are available at the Testing Center, Counseling Center and EMPS Division Office (T102). The test guides are available on the college’s website, by searching for “Math Placement.”

The following do not constitute prerequisites for MTH 122:

1. Credit with a grade of C or above in MTH 121, MTH 140 or MTH 141.
2. Meeting the prerequisite for MTH 121 or MTH 141 by obtaining the appropriate score on the Math Placement Test.

For more information regarding the Math Placement Test or for mathematics advisement, please contact the Engineering, Mathematics and Physical Sciences division at (847) 543-2044.

The Math Placement Test is given on a walk-in basis in the Testing Centers at the Grayslake, Lakeshore and Southlake campuses. There is no charge for the test. Please see the Academic Proficiency Testing information in this class schedule for testing center hours. For additional testing schedule information, call the Testing Center at the Grayslake campus at (847) 543-2076, the Lakeshore Campus at (847) 543-2120, or the Southlake Campus at (847) 543-6544. **Photo I.D. is required.**

**IMPORTANT INFORMATION Regarding Mathematics Modules - MTH 101**

MTH 101 is available in a series of 1-credit hour modules. These are offered for students who are self-motivated and capable of studying on their own. The module format is not appropriate for all students, so interested persons should check with the Mathematics department to see if the module format is suitable for them. Students must begin by enrolling for the first module in the course. Students who are ready for a higher-level module will be recommended for placement by an instructor. The student can enroll in subsequent modules one at a time after completion of the first module. A student cannot attempt more than one module at a time. The series of topics covered in the modules is equal in content to the course offered in the classroom format when all modules in the course have been successfully completed. Persons enrolled in the modules establish individual schedules with the instructional staff in the Mathematics Center of the Learning Assistance Center at the Grayslake campus, the Lakeshore Campus or the Southlake Campus. While the pace at which students work is variable, they are expected to finish the module in a semester. Attendance is required and students may be withdrawn if their attendance is not regular.

Persons enrolling in the modules must attend one of the following orientation sessions in the Mathematics Center in the Learning Resource Center on the Grayslake campus or at the Lakeshore and Southlake Campuses:

- **Grayslake Campus**
  - First or second day of semester at 10 a.m. / 2 p.m. / 6 p.m.
- **Lakeshore & Southlake campuses**
  - To schedule an orientation session for Lakeshore Campus (847) 543-2121 or Southlake Campus (847) 543-6542 please call to set up an individual appointment.

Students who desire to enroll in a module after the start of the semester need to contact the instructor to obtain permission to do so. This can be done by calling the Engineering, Mathematics and Physical Sciences office at (847) 543-2044 or the Mathematics Center at (847) 543-2449.

Further information about the modules can be obtained through the Engineering, Mathematics and Physical Sciences division office at (847) 543-2044, the Mathematics Center at (847) 543-2449, the Lakeshore Campus at (847) 543-2121, the Southlake Campus at (847) 543-6542, or on the web at www.clcillinois.edu/mathcenter.
MTH 101  Elementary Concepts of Mathematics (Variable)  1-4 Hours

Prerequisite: Score of 34 or higher on the arithmetic portion of the Math Placement Test. A student who scores below 34 on the arithmetic portion of the Math Placement Test should meet with a counselor to discuss options.

**Prerequisites:**
- MTH 118 or MTH 112 (C or better) or appropriate score on the Math Placement Test or Math ACT of 22 or higher.
- MTH 117 or MTH 112 (C or better) or appropriate score on the Math Placement Test or Math ACT of 22 or higher.
- MTH 117 or MTH 112 (C or better) or an appropriate score on the Math Placement Test or Math ACT of 25 or higher.
- MTH 117 (C or better) or Math ACT of 22 or higher.
- MTH 127 (C or better) or Math ACT of 22 or higher.
- MTH 114 (C or better) or appropriate score on the Math Placement Test or Math ACT of 28 or higher.
- MTH 127 (C or better) or Math ACT of 22 or higher.
- MTH 114 or MTH 102 (C or better) or appropriate score on Math Placement Test, or two years of HS Algebra (C or better), or Math ACT of 22 or higher.
- MTH 127 (C or better) or Math ACT of 22 or higher.
- MTH 127 (C or better) or Math ACT of 22 or higher.
- MTH 127 (C or better) or Math ACT of 22 or higher.

IMPORTANT INFORMATION Regarding Applied Music Courses
During the first week of classes, your instructor will call you to arrange a mutually convenient time for lessons. Students who register for 1 credit hour receive 30 minutes of instruction per week. Lesson arrangements are based on availability of staff and students and cannot be guaranteed.

Private Music Lessons
Students who do not desire credit for private music lessons should register to AUDIT the class. This can be processed by calling the office of Admissions (847) 543-2061 after you have successfully registered.

MUS 163-188 Applied Music (Variable)  1-2 Hours

Additional Cost/Course Fee: $270.00 per unit

**NURSING**

Nursing Education Office, Room D208, (847) 543-2043 or
Biological & Health Sciences Division, Room C140, (847) 543-2042

**SCREENING DEADLINES**

Screening deadlines are the first Wednesday in February and the first Wednesday in September.

For more information, call the Nursing Education Office at (847) 543-2043. For times and dates of the Nurse information meeting, please visit our website at www.clcillinois.edu/programs/nur

**IMPORTANT INFORMATION Regarding NUR 110 (Nurse Assisting)**

**Criminal Background Checks**

Fingerprint background checks are required for this course. The background checks must be completed prior to enrolling. Please review the disqualifying convictions at www.idph.state.il.us/nar/disconvictions.htm

Individuals with disqualifying convictions will need to have a waiver in place prior to the first day of class in order to take the class.

**Health Requirements**

All students must complete the health requirements for these classes prior to enrolling.

Please call the College of Lake County’s Health Center at (847) 543-2064 to make an appointment. Please see “nurse assisting health requirements” on the nursing web page.

**Social Security Number**

A valid social security number is required to meet state requirements (Illinois Department of Public Health) to enroll in NUR 110.

**Attendance on the first day of class and clinicals is mandatory.**

Please see the nursing web page at www.clcillinois.edu/programs/nur
NUR 110 Nurse Assisting (6-3) 7 Hours
Prerequisite: One of the following (or higher): TABE-10.0, APT-122, or COMPASS ELI-251; OR ELI 103 and 104 (B or better); OR ELI 107, ELI 108, or ENG 108 (all C or better); OR College Reading and Writing Readiness AND 16 years or older
Additional Cost/Course Fee: $25.00

IMPORTANT INFORMATION Regarding Paralegal Studies Capstone

Graduating? Do you want a final opportunity to develop your resume, cover letter, and job search strategy? The Paralegal Studies Capstone (PLS 251) is for you! We will also explore the recently created “Paralegal Core Competency Exam” offered by the National Federation of Paralegal Associations and give you the confidence to pursue the latest credential available in the paralegal profession. This course is a 3 credit hour elective for those paralegal students who fall under previous catalog years.

PLS 251 Paralegal Studies Capstone (3-0) 3 Hours
Prerequisite: PLS 110, PLS 112, PLS 114 (all C or better) and completion of a minimum of two additional PLS courses.

Online (for more information, go to clconline.clcillinois.edu)

Philosophy and Reality TV

This course will explore the philosophical issues surrounding reality TV using the film The Truman Show in which a man discovers that his entire life is a TV show. Through the eyes of reality TV, the course will explore topics such as “What is happiness?” “What is the best form of government?” “What is the meaning of life?” “Does God exist?” “Can we tell the difference between dreams and reality?” “What is it to be moral?” “Does capitalism inherently exploit people?”

Philosophy and Yoga
In this course we will use the ancient practice of Yoga as the basis for our investigation of Philosophy. Along with reading and writing, this course will include the PHYSICAL practice of yoga. This will involve learning and practicing techniques of breathing, movement and meditation. We will not be sitting in chairs. Yoga is complete philosophical system that incorporates the philosophical mind, body, movement and breath. This course will require an active mind and body.

Civic Engagement Project
SOC 222-600 with special topic: Civic Engagement Project, increases understanding of social problems, such as poverty, homelessness, and hunger, while volunteering at community based organizations. The first 4 weeks of class will meet on campus and address various sociological perspectives, examine research and analyze social theories. Students will select a social problem as the basis of their civic engagement project and establish their community partnerships. Civic engagement with community partners will last for 10 weeks, at least 3 hours each week, and include on-site instructor observation. Students will meet on campus for debriefing and to make final presentations of their civic engagement projects during the last week of class. Students are responsible for their transportation to and from their community partner sites. The College will not provide transportation. This section is a Blended section that combines work in the classroom and on the Internet.

SOC 222-600 is a Blended section that combines work in the classroom as well as on the Internet.

SPANISH

Communication Arts, Humanities & Fine Arts Division,
Room B210, (847) 543-2040

IMPORTANT INFORMATION Regarding Spanish Courses
Students enrolling in all Spanish sections SPA 121, SPA 122, SPA 221, SPA 222, SPA 223 and SPA 224 must have reliable high speed internet access in order to be successful in the class. For the online section 800s and the blended section 600s, students also need a computer camera and Skype capabilities.

Placement Test for Spanish
Students with previous Spanish knowledge/studies may take the Placement Test administered at the Testing Center. For more information please call the Testing Center at (847) 543-2076. Students may also contact an advisor, counselor or faculty member anytime to determine appropriate class placement.
