To reduce costs and be more environmentally friendly, the college is no longer mailing a class-listing publication to households in the district. Information on scheduled classes is available on our class search web page. Information also is available in this printer friendly document.

Abbreviation Key

Campus Locations:

- **GLC**  College of Lake County
  19351 West Washington Street, Grayslake, IL 60030
- **LSC**  Lakeshore Campus
  111 North Genesee Street, Waukegan, IL 60085
- **SLC**  Southlake Campus
  1120 South Milwaukee Avenue, Vernon Hills, IL 60061

Community Locations:

- **HPHP**  Highland Park Hospital
  718 Glenview Avenue, Highland Park, IL 60035
- **HSPI**  Hospital – In District
- **HST**  Lake County High Schools Technology Campus
  19525 West Washington Street, Grayslake, IL 60030
- **VISTA**  Vista Healthcare
  2615 Washington Street, Waukegan, IL 60085
- **VMCW**  Vista Medical Center West
  2615 Washington Street, Waukegan, IL 60085

Understanding Codes

- **ARR**  Student makes class schedule arrangements by contacting division office offering the course
- **BOLD**  Class meets after 4 p.m. or on Saturday or Sunday
- **Hours**  Credit hour value of course
- **R**  Thursday
- **U**  Sunday
- **TBA**  To Be Announced
- **Prerequisite**  A requirement that must be fulfilled prior to registering for the course. Prerequisites are listed in each course description.

The College of Lake County is an Equal Opportunity/Affirmative Action Institution in all aspects of education and employment. This information is accurate as of August 2015, but is subject to change.

For course descriptions see www.clcillinois.edu/classes
## Administrative Office Systems

**Business and Social Sciences Division**  
Room A244, (847) 543-2047  
Not all courses are offered every semester.  
For more information: [www.clcillinois.edu/programs/aos](http://www.clcillinois.edu/programs/aos)

**AOS Information Sessions**  
Attend an information session and find out more about courses, certificates and degrees in the Administrative Office Systems program.

**Office 2013**  
All coursework will be completed in Microsoft Office 2013.

BIOLOGY

Biological & Health Sciences Division
Room C140, (847) 543-2042

IMPORTANT INFORMATION Regarding Placement Test for BIO 123 and BIO 161
Students who want to enroll in BIO 123 or BIO 161 and do not have the prerequisite algebra course (MTH 102 or MTH 108) MUST take the CLC College Math Placement Test. The test is given in the Testing Center at the Grayslake Campus, (847) 543-2076, the Lakeshore Campus, (847) 543-2120, and by appointment at the Southlake Campus, (847) 543-6501. Please call the appropriate location for testing times. The use of a calculator is permitted, and one will be provided. Photo ID is required.

Which beginning biology lab course is right for you?
BIO 120 - intended as a general education lab science requirement for non-science majors and for those who are interested in the relationships between humans and the environment and environmental problems.

BIO 123 - intended as a general education lab science requirement for non-science majors needing a one-semester lab science course and for students seeking careers in nursing, dental hygiene, medical imaging, etc. Prior chemistry is helpful. Basic Algebra is a prerequisite.

BIO 141 - intended as a general education lab science requirement for non-science majors needing a one-semester lab science course and is not intended for students wishing to enter an allied health or pre-professional field.

BIO 161 - This course is the first semester of a two semester sequence intended for biology majors and students seeking careers in pre-medicine, pre-pharmacy, pre-veterinarian, etc. NOTE: Knowledge of chemistry is helpful. Intermediate Algebra is a prerequisite.

BIO 111 Human Form and Function (3-2) 4 Hours

8015  BIO 127-800  3 ARR ONLINE  06/08  07/28

**BIO 128  Natural History of Selected Areas (2-2)  3 Hours  
May be taken twice, but any topic only once**

**FIELD STUDY TRIP  The American Tropics: Costa Rica**  
Students will study the wide array of flora and fauna produced by Costa Rica’s amazingly diverse topography. Areas to be visited include tropical dry forest, tropical rain forest, cloud forest, seashore, savanna, and active volcanoes. Travel within Costa Rica will be by small bus; some hiking is required. Accommodations will vary from modest to rustic.

**FIELD STUDY TRIP  Mt. Rogers and the Appalachian Trail**  
Earn seven hours of credit when you sign up for BIO 128, ENG 224, and PED 229, which will be taught on location in the beautiful Mt. Rogers National Recreation Area, located in the mountainous, western tip of Virginia. These classes will involve day hiking along the Appalachian Trail and returning to our campsite each night.

Two pre-trip classroom meetings (May 8 and May 15) and two post-trip classroom meetings (June 12 and 19) will be scheduled. Students are required to take all 3 classes associated with the field course (ENG 224, BIO 128, and PED 229). The cost for all three classes is $460 plus tuition, fees, and personal food costs. For more information contact Bob Remedi at (847) 543-2326, remedi@clcillinois.edu; Mike Latza at (847) 543-2956, mlatza@clcillinois.edu; or Shane Jones at (847) 543-2885, shanejones@clcillinois.edu.

IMPORTANT INFORMATION Regarding Placement Test for Chemistry
Students who want to enroll in CHM 120 or CHM 121 and do not have the prerequisite algebra course MUST take the CLC College Math Placement test. The test is given in the Testing Center at the Grayslake campus, (847) 543-2076, the Lakeshore Campus, (847) 543-2120 and at the Southlake Campus, (847) 543-6544. Please call the appropriate location for testing times. The use of a calculator is permitted, and one will be provided. Photo ID is required.

Which beginning chemistry course is right for you?

CHM 120 - intended for general education lab science requirement for non-science majors and for the dental hygiene, medical imaging, and registered nursing programs. Basic algebra is a prerequisite.

CHM 121 - intended for chemistry, biology and other science majors. Intermediate algebra is a prerequisite.

CHM 142 - intended for general education lab science requirement for non-science majors and is not intended for students wishing to enter an allied health or pre-professional field. Language proficiency and basic algebra readiness prerequisite.

CHM 140 – same as CHM 142, but without a lab.

CHM 120 Chemical Concepts (3-2) 4 Hours
Prerequisites: MTH 102 (C or better) or an appropriate score on the Math Placement Test or Math ACT of 22 or higher - AND - College Reading and Writing Readiness
Additional Cost/Course Fee: $25
Grayslake Campus - Grayslake

COMPUTER INFORMATION TECHNOLOGY

Business and Social Sciences Division
Room A244, (847) 543-2047
Not all courses are offered every semester.
For more information: www.clcillinois.edu/programs/cit

IMPORTANT INFORMATION Regarding Computer Information Technology Placement Testing and Waiving CIT Prerequisites

Students wishing to take a CIT course which has a prerequisite of CIT 120 and who do not have the prerequisite course may take the Introduction to Computers Placement Test.

Students wishing to take a CIT course which has a prerequisite of CIT 134 and who do not have the prerequisite course may take the Programming Placement Test.

These tests are given on a walk-in basis in the Testing Centers at the Grayslake and Lakeshore campuses and by appointment at the Southlake Campus. There is no charge for the tests. Please see the Academic Proficiency Test information in this schedule for the Testing Centers' hours.

Students who have taken a course equivalent to CIT 120 or CIT 134 at another school may have the prerequisite waived by submitting the request found at:
www.clcillinois.edu/prereq

Office 2013
All coursework will be completed in Microsoft Office 2013.

CIT 119  Introduction to Office Software (2-2) 3 Hours

**EMERGENCY MEDICAL TECHNICIAN**

Biological & Health Sciences Division  
Room C140, (847) 543-2042

**IMPORTANT INFORMATION** Regarding EMT Courses  
All EMT classes are held at area hospitals or fire and rescue departments. Registration for classes is processed directly through the individual site that is hosting the class (except for Vista EMT-Basic). Space is limited and classes fill up quickly. For more information regarding requirements for the classes and how to register, please contact one of the EMT coordinators listed below:  
• Vista Medical Center West  
  EMT-Basic / Evert Gerritsen (847) 360-2038  
  EMT-Paramedic / Dave Chase (847) 360-2205  
• Advocate Condell Medical Center  
  EMT-Paramedic / Sharon Hopkins (847) 990-5309  
  (No Basic)  
• NorthShore University HealthSystem  
  Highland Park Hospital  
  EMT-Basic & Paramedic / Martha Pettineo (847) 480-3787  
Program Chair: Carol T. Wismer / (847) 543-2142  
cwismer@clcillinois.edu

Notes:  
• All EMT classes will require occasional Saturday meetings. Dates will be announced in class.  
• The start and end dates of the EMT courses are tentative. Please check with the division office at (847) 543-2042 or the site offering the class two weeks prior to the published start date to verify the exact dates for the class.  
• Payment for tuition is made directly to the hospital.  
• EMT-Basic and EMT-Paramedic courses are not eligible for Title IV aid. Only students eligible for benefits under the Illinois Veterans Grant, Illinois National Guard, or MIA/POW may receive financial aid for these programs. Call the Financial Aid Office for more information, (847) 543-2621.  
• High school diploma (or equivalent) required for enrollment and licensure.  
• Books for EMT Basic classes at Vista Medical Center available through CLC Bookstore. All other sites have the books available at hospital.
EMT 111  Emergency Medical Technician-Basic (5-4)  7 Hours
Prerequisite: High school diploma or GED AND College Reading and Writing Readiness AND Basic Algebra Readiness.

ENGLISH

Communication Arts, Humanities & Fine Arts Division
Room B210, (847) 543-2040

Want to teach ESL?
CLC offers ESL Endorsement courses
Certified K-12 teachers or prospective teachers interested in teaching ESL can take the six courses for ISBE’s ESL Endorsement at CLC.

Three of the required courses will be offered in the summer session: Linguistics and Society (ENG 128); ELL/Bilingual Education Theory (ENG 262); and Intercultural Communication (CMM 127). In addition, one of the electives, Introduction to General Linguistics (ENG 127), will also be offered in the summer session.

Enrolled candidates with Bachelor’s degrees may be able to earn graduate credit through Aurora University by paying additional fees and completing additional requirements.

For more information, contact Dr. Jacinta Thomas at (847) 543-2565 or by email at com436@clcillinois.edu or visit the following website www.clcillinois.edu/programs/eng/ and click on ESL approval or endorsement.

Small Farm Planning and Production
This course provides an understanding of the process of sustainable food production through growing on our small-scale campus farm. Concepts include seed-starting, growing transplants, planting, maintaining and harvesting a diverse variety of annual and perennial fruits and vegetables. Crop planning and succession planting for ongoing harvest, and direct marketing of harvest items will be discussed. This course includes the utilization of high tunnels, hoop houses, and cold frames as a means of extending the local food production season. Class includes hands-on growing activities.

Introduction to Beverage Appreciation (1 credit hour)
This course refines the student’s knowledge of beverages served in a variety of hospitality operations. Emphasis is placed on beverage sensory perception and the art of food and beverage pairings. Students will learn about the wine regions of the world and how climate, terroir and region affect the qualities of wine. Students develop and analyze strategies to effectively manage, market and set standards for beverage operations. Both alcoholic and non-alcoholic beverages are examined, and optional tastings of wine and beer are included. Responsible beverage service is stressed.

Prerequisites: HCM 110 or HCM 111 with a grade of C or better
Minimum age of 21

Additional Cost/Course Fee: $125

Personality Disorders and Substance Abuse (1 credit hour)
Many people dealing with substance use disorders struggle mightily in their interactions and relationships with others. For some, it’s a natural consequence of the havoc the substance has wreaked in their lives; for others, it’s an issue that may even predate their use. Among clients who seek help for addiction and substance abuse issues, there are many who are also diagnosed with personality disorders. Students in this course will learn about the most common personality disorders, their comorbidity with substance use disorders, and how best to approach treatment for clients with these coinciding diagnoses.

MATHEMATICS

Engineering, Math & Physical Sciences Division
Room T102, (847) 543-2044

IMPORTANT INFORMATION Regarding Math Placement Test

You must take the Math Placement Test if you do not meet the Basic Algebra Readiness requirement by any of the other options for demonstrating Basic Algebra Readiness listed in the college catalog or if you do not meet the prerequisite course requirements stated for particular courses through any one of the following options.

1. Completion of the listed prerequisite mathematics course requirement at CLC with a grade of C or better. MTH 108 and MTH 144 require a B or better in the prerequisite courses.
2. Completion of a pre-approved mathematics college-level course with a C or better that is equivalent to CLC’s prerequisite mathematics course.
3. Specific mathematics ACT scores.

The College of Lake County Math department uses the College Board Educational Testing Service’s ACCUPLACER CPT adaptive placement exam as its placement instrument. Students may take the test in the college’s Testing Center or at other sites in the county. Students can test twice in a 12-month period. Students must wait for a period of two days (48 hours) before retesting. Students who are not basic algebra ready may take the test once to demonstrate basic algebra readiness.

Many CLC mathematics courses also require documentation of completion (grade of C or better) of one year of an approved high school geometry or completion of MTH 104 (grade of C or better).

Students wishing to take the Math Placement Test are encouraged to review and study before taking the test. Printed test guides are available at the Testing Center, Counseling Center and EMPS Division Office (T102). The test guides are also available on the college’s website, by searching for “Math Placement.”

The following do not constitute prerequisites for MTH 122.
1. Credit with a grade of C or above in MTH 121, MTH 140 or MTH 141.
2. Meeting the prerequisite for MTH 121 or MTH 141 by obtaining the appropriate score on the Math Placement Test.

For more information regarding the Math Placement Test or for mathematics advisement, please contact the Engineering, Mathematics and Physical Sciences division at (847) 543-2044.

The Math Placement Test is given on a walk-in basis in the Testing Centers at the Grayslake, Lakeshore and Southlake campuses. There is no charge for the test. Please see the Academic Proficiency Testing information in this class schedule for testing center hours. For additional testing schedule information, call the Testing Center at the Grayslake campus at (847) 543-2076, the Lakeshore Campus at (847) 543-2120, or the Southlake Campus at (847) 543-6544. Photo I.D. is required.
**IMPORTANT INFORMATION Regarding Mathematics Modules - MTH 101**

MTH 101 is available in a series of 1-credit hour modules. These are offered for students who are self-motivated and capable of studying on their own. The module format is not appropriate for all students, so interested persons should check with the Mathematics department to see if the module format is suitable for them. Students must begin by enrolling for the first module in the course. Students who are ready for a higher-level module will be recommended for placement by an instructor. The student can enroll in subsequent modules one at a time after completion of the first module. A student cannot attempt more than one module at a time. The series of topics covered in the modules is equal in content to the course offered in the classroom format when all modules in the course have been successfully completed. Persons enrolled in the modules establish individual schedules with the instructional staff in the Mathematics Center of the Learning Assistance Center at the Grayslake campus, the Lakeshore Campus or the Southlake Campus. While the pace at which students work is variable, they are expected to finish the module in a semester. Attendance is required and students may be withdrawn if their attendance is not regular.

Persons enrolling in the modules must attend one of the following orientation sessions in the Mathematics Center in the Learning Resource Center on the Grayslake campus or at the Lakeshore and Southlake Campuses:

- **Grayslake Campus**
  First or second day of semester at 10 a.m. / 2 p.m. / 6 p.m.

- **Lakeshore & Southlake campuses**
  To schedule an orientation session for Lakeshore Campus (847) 543-2121 or Southlake Campus (847) 543-6542 please call to set up an individual appointment.

Students who desire to enroll in a module after the start of the semester need to contact the instructor to obtain permission to do so. This can be done by calling the Engineering, Mathematics and Physical Sciences office at (847) 543-2044 or the Mathematics Center at (847) 543-2449.

Further information about the modules can be obtained through the Engineering, Mathematics and Physical Sciences division office at (847) 543-2044, the Mathematics Center at (847) 543-2449, the Lakeshore Campus at (847) 543-2121, the Southlake Campus at (847) 543-6542, or on the web at www.clcillinois.edu/mathcenter.

**MTH 101 Elementary Concepts of Mathematics (Variable) 1-4 Hours**

**Prerequisite:** Score of 34 or higher on the arithmetic portion of the Math Placement Test. A student who scores below 34 on the arithmetic portion of the Math Placement Test should meet with a counselor to discuss options.

IMPORTANT INFORMATION Regarding Applied Music Courses
During the first week of classes, your instructor will call you to arrange a mutually convenient time for lessons. Students who register for 1 credit hour receive 30 minutes of instruction per week. Lesson arrangements are based on availability of staff and students and cannot be guaranteed.

Private Music Lessons
Students who do not desire credit for private music lessons should register to AUDIT the class. This can be processed by calling the office of Admissions (847) 543-2061 after you have successfully registered.

NURSING
Nursing Education Office, Room D208, (847) 543-2043 or Biological and Health Sciences Division, Room C140 (847) 543-2042

SCREENING DEADLINES
Screening deadlines are the first Wednesday in February and the first Wednesday in September.
For more information, call the Nursing Education Office at (847) 543-2043. For times and dates of the Nurse information meeting, please visit our website at www.clcillinois.edu/programs/nur

IMPORTANT INFORMATION Regarding NUR 110 (Nurse Assisting)

Criminal Background Checks
Fingerprint background checks are required for this course. The background checks must be completed prior to enrolling. Please review the disqualifying convictions at www.idph.state.il.us/nar/disconvictions.htm

Individuals with disqualifying convictions will need to have a waiver in place prior to the first day of class in order to take the class.

Health Requirements
All students must complete the health requirements for these classes prior to enrolling.

Please call the College of Lake County’s Health Center at (847) 543-2064 to make an appointment. Please see “nurse assisting health requirements” on the nursing web page. www.clcillinois.edu/programs/nur

Social Security Number
A valid social security number is required to meet state requirements (Illinois Department of Public Health) to enroll in NUR 110.

Attendance on the first day of class and clinicals is mandatory.
Please see the nursing web page at www.clcillinois.edu/programs/nur

PARALEGAL STUDIES

FIELD STUDY TRIP Mt. Rogers and the Appalachian Trail
Earn seven hours of credit when you sign up for BIO 128, ENG 224, and PED 229, which will be taught on location in the beautiful Mt. Rogers National Recreation Area, located in the mountainous, western tip of Virginia. These classes will involve day hiking along the Appalachian Trail and returning to our campsite each night.

Two pre-trip classroom meetings (May 8 and May 15) and two post-trip classroom meetings (June 12 and 19) will be scheduled. Students are required to take all 3 classes associated with the field course (ENG 224, BIO 128, and PED 229). The cost for all three classes is $460 plus tuition, fees, and personal food costs. For more information contact Bob Remedi at (847) 543-2326, remedi@clcillinois.edu; Mike Latza at (847) 543-2956, mlatza@clcillinois.edu; or Shane Jones at (847) 543-2885, shanejones@clcillinois.edu.

SPANISH
Communication Arts, Humanities & Fine Arts Division
Room B210, (847) 543-2040

IMPORTANT INFORMATION Regarding Spanish Courses
Students enrolling in all Spanish sections SPA 121, SPA 122, SPA 221, SPA 222, SPA 223 and SPA 224 must have reliable high speed internet access in order to be successful in the class. For the online section 800s and the blended section 600s, students also need a computer camera and Skype capabilities.

Placement Test for Spanish
Students with previous Spanish knowledge/studies may take the Placement Test administered at the Testing Center. For more information please call the Testing Center at (847) 543-2076. Students may also contact an advisor, counselor or faculty member anytime to determine appropriate class placement.

For course descriptions see www.clcillinois.edu/classes

THE 299  Special Topics
in Theatre (Variable)  1-3 Hours
Prerequisite: College Reading and Writing Readiness

Scene Painting
Interested in faux painting, texture painting in fine interiors, and painting to "fool" the eye? The fine art of scenic painting is hundreds of years old and is as viable today as it was in the days of Michelangelo. Learn how to paint scenery for a theatrical production. Drops, ground rows, hard scenery techniques will be taught using both projects and the scenic needs of the Theatre department's summer production. You will have the experience of painting scenery and then seeing it come to life on the stage.

Grayslake Campus - Grayslake
8823 THE 299-001 3 0300P-0550 MW GLC 06/06 07/27

Musical Theatre Workshop
This exciting new course combines the elements of acting, singing and movement into a hands-on workshop experience. Learn about the evolution of the musical, preparing for musical theatre auditions, and how to advance through callbacks. Whether you are a beginner or more advanced performer, this workshop will help you strengthen your musical theatre skills and take your performance to the next level.
