Local Anesthesia Administration for the Dental Hygienist

Learn the basic and essential skills for safe and effective administration of local anesthesia in your dental hygiene practice. This course is a combination of classroom and clinical practice and meets the required certification for dental hygienists of 32 contact hours. The clinical portion of the course will develop your techniques in administering local anesthesia to patients. The clinical portion will be held at the Dental Hygiene Clinic at CLC’s Lakeshore Campus in Waukegan. A textbook is required and may be purchased in the CLC Bookstore.

4340 VALH 30-001 Lakeshore Campus

Wednesdays and Thursdays
August 5-6 and 12-13
8 a.m. to 5 p.m.
$649 Room TBA D. Thompson, RDH

This class is ‘enrollment by department consent’.

Please fax a copy of your Current Illinois dental hygiene license and BLS CPR certification to (847) 543-3015.
