Name,

Keep moving up the ladder.

Whether your goal is career advancement or personal enrichment, every course you take is another step up the ladder. And Fall Semester is a great time to continue moving up. Here's why:

- **Choices, choices, choices.** This fall we're offering classes in 77 academic program areas (more than 3,000 class sections). There are also exciting new options ranging from dance to electrical engineering technology. (See www.clcillinois.edu for details.)
- **A schedule to fit your busy life:** day, evening, weekend or online classes.
- **Convenient** Grayslake, Waukegan or Vernon Hills campuses.
- **Financial aid and flexible FACTS tuition payment plan.** (Register early and spread your payments over more months!)

Fall classes begin Aug. 25. Class listings and financial aid and payment info are at www.clcillinois.edu.

Don't miss out. Register now at www.clcillinois.edu.

Take the next step. The sky's your only limit.
