ACADEMIC PROGRAMS FOR TEENS & PRETEENS

Fast-Paced Program

FAST-PACED MATH I

The Fast-Paced Math I program is for gifted and exceptional children in the 7th grade. The goal of the seventh grade Math is to enrich students' mathematical experience by teaching special algebra/geometry topics that might not be included in a traditional classroom. The students will

have the opportunity to be taught by several different teachers throughout the year. For more information, call 847/543-2022.

Cost: \$175.00 per semester

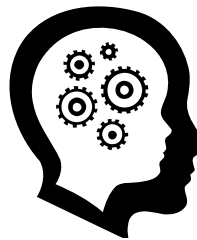

- Grayslake Campus - Grayslake
- Adlai Stevenson High School - Lincolnshire

FAST-PACED VERBAL I

This communication program is for gifted and exceptional children in the 7th grade. The goal of Fast Paced Verbal is to enhance the student's enjoyment of language arts and enrich his/her background in literature, composition, and vocabulary. An emphasis would be on integrated language arts activities including group work, performance/presentations, and activities designed to utilize student creativity. For more information, call 847/543-2022.

Cost: \$175.00 per semester

- Grayslake Campus - Grayslake
- Adlai Stevenson High School - Lincolnshire

Communication Skills

ADVANCING YOUR GRAMMAR SKILLS (AGES 12-15)

If you think grammar is dull and grammar teachers are intimidating, think again. This class offers a unique approach to rooting out common grammatical mistakes and shows how to avoid them. The strategies help students turn out more proficient work and improve their writing skills. Learn sentence structure, punctuation and more. A patient instructor will support you and provide interactive exercises to practice what you learn. No homework assigned.

Cost: \$79.00

Grayslake Campus - Grayslake
4239 CFSP 4-001 0700P-0830 W GLC A223 09/02 11/04 DIPRIMA

UNLOCK YOUR CREATIVITY (AGES 12-15)

We are all creative! Take your creativity to a new level. Learn how to brainstorm and generate new ideas. Find buried treasures hidden deep within your mind. Enjoy a class that tells you, "It's O.K. to break the rules." You will see the world—and write about it—in new and exciting ways. Learn to invent colorful settings populated by awesome characters.

Cost: \$79.00
