# Personal Enrichment

## Welcome to Center for Personal Enrichment

Our mission is to serve lifelong learning needs of non-degree seeking individuals. Equipped with programming expertise, a pool of specialized instructors, and personalized customer services, we provide educational, recreational and skill development for people of all ages.

We continually schedule new courses to create wonderful learning opportunities that can add spice to your life. Our varied courses and trips can help you learn new skills, meet new people or discover more about that very important person – you!

Are you interested in improving your pet's health and general behavior? Enroll in our animal care class and discover how to improve the quality of your pet's life.

Participate in our remarkable art classes and start a new hobby or augment an old one. Visit our Avocations and Business Management section to enhance your skills and talent. We offer a wide variety of seminars, workshops and short courses.

We offer a host of culinary classes, teaching everything from ethnic cooking to making jam.

Do you want to feel fit and active? Enroll in fencing, hiking, spinning, volleyball, dance, and yoga classes to name just a few.

## Online Courses

Do you enjoy learning in the comfort of your home or office at times convenient for you? We offer hundreds of engaging online courses for adults, covering topics from Accounting to Web Design.

## Teen & Gifted Children Classes (Ages 13-17)

Teen classes cover a range of subjects including sports and martial arts, pet care, and horseback riding, physics and chemistry. To enter the Fast Paced program for gifted children, a student must provide verification of high test scores on the SAT or similar tests. Requisite test scores vary depending upon the subject: math or verbal. For more information, email ace192@clcollinois.edu or call (847) 543-2022.

## Camp XPLORE! and Youth Classes

A variety of educational and recreational programs are offered for students ages 6-18. Classes are held at all three campuses. Camp XPLORE! includes Kids First Sports camps, filmmaking, video editing, visual media arts, LEGO®, and video game making.

## Discovery!/Quest!

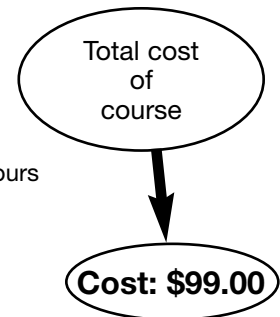

The Discovery! Program offers exciting and creative courses for adult learners aged 50 and older. Short-term classes are offered on weekdays and cover a wide variety of topics for fun or personal development. Join a Discovery! trip to a cultural event or place of historical significance, hear lively discussions on current events, make new friends and learn in our genial, relaxed environment under the guidance of knowledgeable instructors. See page 21P for a listing of summer classes. For more information, call the Discovery! Hotline at (847) 543-6507.

*For more information about all our courses please call (847) 543-2022.*
